Louisiana Superdome,
New Orleans, Louisiana,
DT-SEM

Synopsis: No further investigation being conducted in Topeka, Kansas.

Details: For information of New Orleans, Kansas City Division has no pending or closed files on the Westboro Baptist Church, Topeka, Kansas. Due to the fact they are a non-violent protest group, no investigation is contemplated.

However, the group is well-known in the Kansas area. The Westboro Baptist Church is an actual church [REDACTED]. [REDACTED] The church endorses an adamant anti-gay/lesbian philosophy. The church members, [REDACTED] daily picket courthouses, churches, businesses, or homes that they feel are pro-gay/lesbian. They picket with signs and an upside-down American flag. The picketers are men, women, and children. They have also picketed the funerals of gay/lesbian people. The group has traveled to numerous American cities and overseas in their efforts.

b6
b7C

Although the group is non-violent, they precipitate strong reactions from people who see the pickets. The group always cooperates with law enforcement and usually obtains permits. Usually, law enforcement will be on the scene if trouble is anticipated.

The group would probably contact the New Orleans Police Department to obtain permits and LEO protection. The group also video tapes their own picketing.

300A-NO-66070-2

To: New Orleans From: Kansas City
Re: 300A-NO-66070, 03/07/2001

The group sends strongly worded faxes explaining their thoughts and attacking what they perceive as pro-lesbian/gay issues.

They have a website which usually announces future protests. The website is www.godhatesfags.com.

The above facts are known to the FBI personnel in Topeka, Kansas, and are not drawn from any FBI file. The group does not fall within the defined individuals/groups investigated by the FBI.

SOULFORCE INVITES YOU ON A JOURNEY TO JUSTICE

URGENT!

Will you help bring truth in love to the Southern Baptists, June 11-13, in New Orleans? How many lives have been wasted, families divided, spirits crippled because of religious teachings that homosexuals are "sick" (in need of healing) and "sinful" (in need of forgiveness). Millions of Southern Baptists victims still live in closets of loneliness, guilt, and fear. The suffering must end.

See your own spirit renewed and your society transformed! Help Soulforce change the minds and hearts of Baptist clergy and lay leaders. They, too, are victims. Let's bring them truth in love relentlessly.

SOULFORCE INC.

The Honorable Richard J. Pennington, Superintendent of Police
New Orleans Police Department
715 South Broad Street
New Orleans, LA., 70119

April 3, 2001

Dear Superintendent Pennington,

Forgive me for interrupting your busy schedule with this request for guidance. I am the [redacted] Soulforce, Inc. We are an interfaith, ecumenical network of people of faith committed to applying the nonviolence principles of Gandhi and King on behalf of justice for sexual and gender minorities. You will find more information about us at www.soulforce.org.

I am writing to inform you that Soulforce is planning a nonviolent (non-disruptive and totally disciplined) act of civil disobedience at the Superdome during the Southern Baptist Convention in New Orleans, June 12-13, 2001. In all our past direct actions we have worked closely with the police departments in every city. A complete list of those departments and their liaison officers is enclosed.

As you probably know, the Southern Baptist Convention has official policies in place that condemn gay and lesbian Americans as "sick" and "sinful." They see sexual minorities as a "threat to the American family" and refuse to ordain gays or allow gays to serve openly in ministry as Southern Baptist laity or clergy. These policies lead directly and indirectly to suffering and even death. We are determined to help change the minds and hearts of the leaders of the Southern Baptist Convention by demonstrating our concern at their national meeting in New Orleans this coming June.

[redacted] the civil rights hero from the 50s and 60s, and other civil rights leaders including [redacted] are scheduled to demonstrate with us. We would like to work together closely with the liaison person you appoint to guarantee that our vigils and our direct action causes as little inconvenience and expense as is possible for the people of your great city.

We have discussed similar acts of civil disobedience with mayors and chiefs of police in the last six months in six different states. You might call any or all of the names listed on the enclosed list for information about us. There are media descriptions of our events on line at www.soulforce.org as well. Our advance team will be in New Orleans, April 16-19, 2001. We would appreciate having a name to contact in your office in advance and a chance to meet with your liaison officer to discuss exactly what we have planned and to be advised as you see fit.

Soulforce is committed to nonviolence. And though our act of civil disobedience may involve arrest, we promise not to embarrass or to demean the people of New Orleans, your Mayor or your Police Department in any way. And we hope not to disrupt or to cause inconvenience for your Southern Baptist visitors.

Our goal is to win the minds and hearts of those who are confused and misinformed about God's gay, lesbian, bisexual, and transgendered children. Noisy protests that bring fear or anger to the SBC Messengers would not help our cause. Our actions are respectful, deeply moving and planned well in advance. That's why working closely and cooperating entirely with your office is so important to us all.

Sincerely, [redacted]

Title: OPERATIONS ORDER -
SOUTHERN BAPTIST CONVENTION,
JUNE 10-13, 2001
LOUISIANA SUPERDOME, NEW ORLEANS LOUISIANA;
DT - SPECIAL EVENTS MANAGEMENT

Synopsis: To detail assignments and responsibilities for FBI contingencies and response to critical incidents for the 06/10-13,2001 Southern Baptist Convention.

Details: During June 2001, the Southern Baptist Convention will be held in the Louisiana Superdome with an expected attendance of 14,000 persons. The conference will be held at several New Orleans locations to include the Louisiana Superdome and the Hyatt Hotel.

The [redacted] advised that several non-violent groups protested captioned event at the Southern Baptist Convention in Orlando, Florida, June 13-14, 2000. The groups included: Soul Force and the People for Ethical Treatment of Animals (PETA) with arrest made for trespassing only.

b6
b7C

The only group as of 05/08/2001 who has requested a permit from the City of New Orleans were "Soul Force". There is no information from web sites of the PETA or the Westboro Baptist Church regarding travel to the conference.

Due to the nature of above event, the Southern Baptist Convention could be a vulnerable target for any groups or individuals planning a terrorist attack.

To: New Orleans From: New Orleans
Re: 300A-NO-66070 (Pending), 05/17/2001

It should be noted that the FBI's presence will primarily be on a liaison basis with Southern Baptist staff, Superdome Security, Hyatt Security, and New Orleans Police Department (NOPD).

The listed plan outlines FBI participants briefed on situations where the FBI resources might be deployed and what resources are available in the New Orleans Office.

It should be noted that a number of events, referred to as Southern Baptist Events, are scheduled in the metropolitan area during the week of 06/04-13/2001. These events would also be worthy of terrorist attention. Employees assigned to work the event should be prepared to respond during this period should an incident occur which would place the operation plan in effect.

MISSION: To provide a responsive capability in a timely manner to any occurrence during the event that would fall within the jurisdiction and goals of the FBI. Such goals are to detect, deter, prevent, and respond to terrorist organizations and individuals who threaten or conduct criminal activity within the United States.

EXECUTION - CRISIS RESPONSE PLAN: Since the New Orleans FBI's involvement in captioned event is primarily on an liaison basis, no command post (CP) will be in operation. However, the FBI Crisis Response Plan (CRP) will be in effect if ordered by the SAC, New Orleans or his designee. If a CP is ordered at the time of incident by the SAC or his designee, it will be housed in the New Orleans FBI Office.

In the event of an occurrence at captioned event, SA [] will notify SSA [] who will assess the FBI's involvement and, if necessary, notify ASAC Adams. ASAC Adams, in consultation with the SAC, will determine whether or not to implement the CRP. The CRP has been made available to each New Orleans Division supervisor. Both agents and support personnel involved in New Orleans' operational plan should be advised of captioned event.

NEW ORLEANS (BP)--The 40th anniversary meeting of the Southern Baptist Conference of Associational Directors of Missions will be June 10-11 at the Radisson Hotel in New Orleans.

The conference was founded in 1960 when the Southern Baptist Convention met in Miami Beach. This year's 40th anniversary stems from the fact that the group did not meet in connection with the SBC's 1963 meeting in Kansas City.

The conference seeks to undergird the work of 1,200 associations of local Baptist churches across the country.

"Servant Leaders to the Churches: In Prayer and in the Word" will be the theme of the conference, which opens with a 9:45 a.m. worship service Sunday, June 10, with a message by Roy Fish, distinguished professor of evangelism at Southwestern Baptist Theological Seminary, Fort Worth, Texas.

Jeff Iorg, executive director of the Northwest Baptist Convention, will lead Bible studies during the 1 p.m. Sunday and 8:30 a.m. Monday sessions.

The president's address, by Don Beall, director of missions for the Puget Sound Baptist Association, Federal Way, Wash., also is slated for the Sunday afternoon session.

Also featured during the two-day conference will be:

Via Fax # 504/827-3598

Subject: Westboro Baptist Church Religious Ministry to New Orleans, LA

Dear Chief Pennington:

This office represents Westboro Baptist Church (WBC), who intends to have some of her number in your city Monday to Wednesday, June 11 to 13, for public demonstrations regarding the dangers of promoting homosexuality, and other issues of righteousness, heaven, hell and eternity. Their pickets will be in conjunction with the Southern Baptist Convention and the efforts of Soulforce [redacted] to influence their convention on the matter of homosexuality and what the Bible says about that matter. They intend to keep the following schedule:

Monday, June 11, 2001:

5:30 to 6:30 p.m. - St. Mark's Community Center, 1130 Rampart Street

Tuesday, June 12, 2001:

7:45 to 9 a.m. - In the area of the trees at the north end of the Superdome Entry Ramp on Poydras

11 a.m. - 12:30 p.m. - Hyatt Regency Hotel

4:30 pm - 5:30 pm - At the Superdome

Wednesday, June 13:

11:30 a.m. to 1 p.m. - At the Superdome, near the entrance used by the delegates to the Southern Baptist Convention.

WBC has conducted such demonstrations, on a daily basis, at locations all across the United States, and into some foreign countries, going on 10 years. Therefore, we recognize that our message, though once quite traditional, will not be well received by some factions of our society, and our experience over the years indicates that sometimes people who oppose our message are tempted to try violence to silence it. We also recognize that having a police presence will in most cases deter persons who wish to silence our message by violence.

I write to make sure that the lines of communication are open, and that you are provided with a comfort zone, so to speak, about the intentions of WBC members. They will at all times conduct themselves in a peaceful and law-abiding manner, and will fulfill any lawful request or order of your officers. We would of course welcome any suggestions or requests that you have before hand, so that we may safely come and go from your city. We only desire to express our religious convictions on these vital, national issues, and go our way; however, we wish to do so in a cooperative way so that your interest in keeping the peace is also met. I will be with the group in New Orleans, and will serve as the contact person with your department. I will have a cell phone with me at all times, and can be reached at [redacted]

We would appreciate assistance your department can provide in keeping the peace. Please contact me at my office phone or fax above or my home phone [redacted] or e-mail [redacted] regarding any concerns or suggestions you may have. I look forward to hearing from you or your representative, so that we may discuss the details of these scheduled pickets.

Sincerely,

[redacted]

NEWS RELEASE

WBC to picket fag whoremonger Rev. Mel White, his Soulforce Mass Arrest scam, and the sodomite Southern Baptist Conv., New Orleans, June 11-13.

Rev. Mel White (at left) was a well-known evangelical preacher and author — a ghostwriter of books & sermons for Billy Graham & Jerry Falwell. He had a wife (Lyla) & two children (at right).

Then this blithering idiot "fell in love" with a man (Gary Nixon, below), sloughed off his wife and kids, and "married" Mr. Nixon! Now he's getting very old and will soon enter Hell. So he spends his time trying to convince himself and others: It's OK to be gay.

White's latest gimmick is to gather 200 fags for disrupting church conventions, to get themselves arrested — for cheap publicity. *Ergo*, New Orleans to disrupt the SBC at the Superdome June 11-13.

Enabling fags & dykes is a worse sin than being one! The Southern Baptists are fag enablers!!!

"Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them." Rom. 1:32. Having described the sins of sodomites, another sin is introduced: fag enabling. Fag enablers: Those who — not driven by fag lust themselves — yet "have pleasure in them that do them." The old preachers and expositors held that fag enablers have the greater sin, and will have the hottest place in Hell. (E.g., Jamieson, Fausset & Brown, on Rom. 1:32).

The two grinning faggots above -- Rev. Mel White & his new "wife" Gary Nixon (left) -- will have 200 fags in New Orleans to disrupt the SBC convention at the Superdome

WBC's New Orleans picketing schedule:

Lottery to switch schools not needed

From staff reports

The New Orleans public school system had planned to hold a lottery Wednesday to determine which of the thousands of children at chronically underperforming middle schools could transfer to Martin Luther King Middle School, but the event became simply a registration night because so few parents were interested in making the switch.

Baptists say 'I do' to covenant marriages

But 2 local pastors say they don't require it

By **Bruce Nolan**
Staff writer

While protesters outside asked them to accept their gay and lesbian children as they are, Southern Baptists on Wednesday renewed their commitment to traditional family and gender roles, and also embraced the concept of covenant marriage despite its markedly lukewarm reception by Baptists in Louisiana, where it has existed the longest.

More than 9,000 messengers

to the Southern Baptist Convention's annual meeting at the Superdome approved a resolution urging states to adopt covenant marriage contracts like Louisiana's, where the optional marriage contract has existed for four years.

The resolution also urged all Baptists to embrace covenant marriage themselves.

"If I were pastoring in Louisiana, I would not marry anyone that did not go the covenant marriage route," said the Rev. Danny Akin of Louisville, chairman of the convention's resolutions committee.

Arkansas and Arizona also offer covenant marriage con-

tracts.

Proposed by conservatives as a means to stem rising divorce rates, covenant marriages are slightly harder to get into and harder to end. Couples asking for a covenant marriage license must undergo some marriage preparation before the wedding, and agree to mandatory counseling before filing for divorce.

Yet the four-year experience in Louisiana is that engaged couples rarely request covenant marriage, in large part because no religious denomination requires it as a condition for blessing their ceremonies.

That is also the case among Southern Baptist churches in Louisiana.

Pastors of two major South Louisiana churches said they have never required couples to acquire covenant marriage licenses.

Yet the Revs. Waylon Bailey of First Baptist Church of Covington and Fred Luter of Franklin Avenue Baptist church both described other strategies for preparing couples for marriage, including mandatory sessions with the pastors where the permanent bond of marriage is stressed.

Both described that and continuing care for couples as their churches' best efforts at honoring marriage, making the couples' acquisition of a civil covenant marriage license superfluous, they said.

"What I give them leading up to marriage is the idea of covenant marriage," Luter said. "Whether they later get it downtown on a piece of paper is another matter."

Meanwhile, protesters outside the Superdome asked the Baptists to embrace a more sym-

thetic understanding of gays and lesbians for the sake of their gay sons and daughters.

Soulforce, an ecumenical group of gay, lesbian, bisexual and transgender Christians and supporters, mounted a jazz funeral outside the Dome.

Thirty-four demonstrators were arrested when they refused to leave the Superdome entrance. They were later released without charges.

Southern Baptist teachings "are killing God's ... children. Killing them spiritually. Making them feel unworthy and unloved," said former United Methodist minister Jimmy Creech, who was defrocked by his church two years ago for performing same-sex unions.

"For 19 years I thought 'gay Christian' was an oxymoron," Gabe Coppinger of Oklahoma said at a noon news conference. Frightened to come out to his Baptist parents, "I prayed every night for God to change me."

Still, the Soulforce demonstrators were misguided at best, said Baptists who watched the demonstration unfold.

Many, like Matthew Harding, a student pastor on the staff of a Baptist church in Auburn Ala., said gays and lesbians must be treated with respect and dignity, short of accepting their sexual preference.

He and other Baptists, however, characterized homosexuality as a free choice and reversible in therapy, a controversial notion that many mental health professionals dispute.

"It's not a matter of biology; it's a matter of spirituality," Harding said.
